LET'S LEARN TO RESPECT

Hello children!! Want to know what should we say
when we see Derāsar, Guru Bhagwant or any Elders to show our respect.
Come let's sing together and learn now !!!

When we see Derāsar
Say Namo-Jiṅāṅam,
When we see Derāsar
Say Namo-Jiṅāṅam,
Derāsar is Holyplace,
Where we join hands and pray
When we see Derāsar
Say Namo-Jiṅāṅam,

When we see Guru Bhagawaṅ
Say Matthaḅ Vaṅdāmi.
When we see Guru Bhagawaṅ
Say Matthaḅ Vaṅdāmi.
They give blessings we must know,
And we should respect them so.
When we see Guru Bhagawaṅ
Say Matthaḅ Vaṅdāmi.

When we see Elders,
We say Praṅām.
When we see Elders,
We say Praṅām.
They are Elders we must know,
And we should greet them so.
When we see Elders,
We say Praṅām.

TREAT EVERYONE EQUALLY

Once upon a time there was a dog named Bruno who wouldn't play with the street dogs because he thought they were too dirty.

One day, two thieves entered his house while his master was out and tried to push him into a sack. He cried for help and suddenly the dogs who lived on his street came and started barking at the thieves. When the thieves saw so many dogs they got scared and ran away. Bruno learned his lesson and became friends with the dogs of the street.

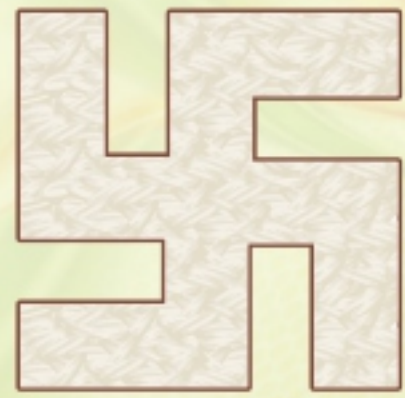

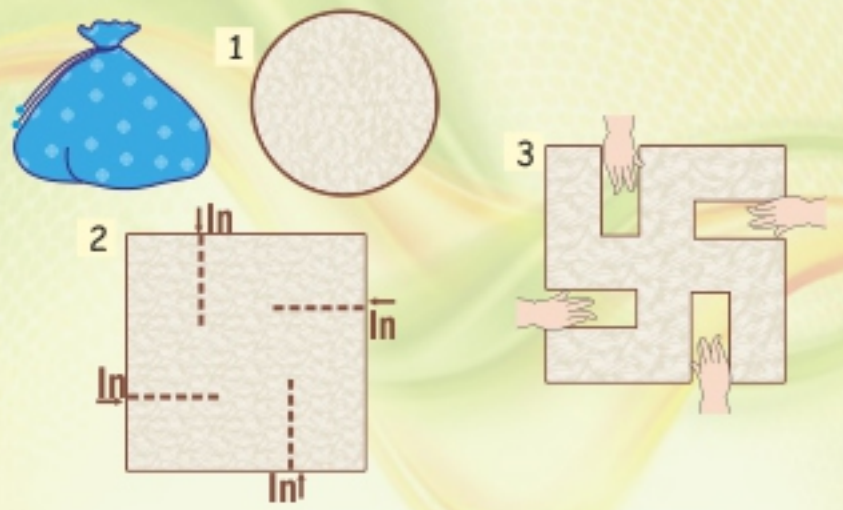

So children we learn that one must never discriminate against others based on their looks or the things they own. Friendship is important. So come sing along what we learnt today ...

always
TREAT
OTHERS
the way you want
TO BE
TREATED!

I've got books and you've got toys,
We're different in some ways,
No matter what, we care a lot,
Because we're all the same!
Let's all together, get along!
Live together peacefully!
No matter how we sing our songs!
Treat everyone equally!
I am short and you are tall!
We're all different colours,
We are unique without a doubt,
But let's all love each other!

LET'S DO IT
